

Declaration of interest in qualification for the Commonwealth Games 2022

I confirm my intent to qualify to
compete as a member of Team Wales at the Birmingham 2022
Commonwealth Games.

I am fully conversant with the qualification standard being a Top 6
placing in the one-per-nation-per-category final Commonwealth
rankings in 2022, posted by the Commonwealth Weightlifting
Federation on completion of the qualification period of IWF/CWF
sanctioned events.

My current, valid membership WW/BWL membership number
is:..... and I understand I must continue to hold a valid
membership with WW/BWL throughout the qualification, selection
and competition period.

I can confirm that I am fully compliant with WW/BWL anti-doping
policies, which are aligned with UKAD, WADA and ITRP protocols.

I will adhere to all codes of standard implemented by Team Wales
